### Profile

I am a computer science student currently pursuing a master's degree. I excel especially in web development, but am always open to new challenges and can quickly learn new technologies. I am excited to continue to learn and grow as a developer in the field and I look forward to new opportunities and challenges in the future.

### Work Experience

May 2023 – Apr. 2024  
Valmet Technologies Oy

#### Trainee

I worked as part of a global team in Service business line responsible for roll covers and maintenance. I was responsible for programming a global pricing application and updating pricing models for products. I also created and updated SharePoint sites and report templates. Additionally, my duties included for example gathering and analysing data for pricing models.

May 2022 – Aug. 2022  
Walki Oy

#### Paper Machine Assistant

I worked as an assistant on a paper machine, responsible for attaching and removing paper rolls from the machine, adding chemical solutions, and performing the maintenance and general upkeep of the machine.

June 2021 – Aug. 2021  
Walki Oy

#### Chemical Solution Mixer

I prepared and mixed chemical solutions for the paper machine, as well as disposed of expired chemical solutions.
