Profile

I am a computer science student currently pursuing a master's degree. I strengths lie in web development, but am always interested in different technologies and environments. I am a quick learner. I am excited to continue to learn and grow as a developer in the field and I look forward to new opportunities and challenges in the future.

Work Experience

June 2024 – Aug. 2024
Posti Jakelu Oy

Postal Worker

I delivered mail and packages daily with a van. The work included independent sorting and customer service during deliveries.

May 2023 – Apr. 2024
Valmet Technologies Oy

Trainee

I worked as part of a global team in Service business line responsible for roll covers and maintenance. I was responsible for programming and maintaining a global pricing application and updating pricing models for products. Additionally, my duties included for example gathering and analysing data for the pricing models.

May 2022 – Aug. 2022
