Profile

Master of Science in Computer Science and ICT specialist. I work with business system integrations, ICT development projects, and the administration and development of the Microsoft 365 environment. My strengths include systems integration, software development, problem-solving, and adopting new technologies. I am motivated by continuous learning, solving practical challenges, and developing solutions that support business needs.

Work Experience

Sep. 2026 – Tampereen Energia Oy	ICT Specialist I develop and maintain integrations between business systems, contribute to ICT development projects, and help manage and develop the Microsoft 365 environment.
May 2025 – Aug. 2026	Systems Integration Developer I designed, implemented, and enhanced system integrations while maintaining and troubleshooting existing integrations to support business needs.
June 2024 – Aug. 2024 Posti Jakelu Oy	Postal Worker I delivered mail and packages daily with a van. The work included independent sorting and customer service during deliveries.
May 2023 – Apr. 2024 Valmet Technologies Oy	Trainee I worked in a global team responsible for roll covers and maintenance. I was responsible for programming and maintaining a pricing application, gathering and analysing data and updating pricing models for products.
